BENEFITS OF CAREER JUMP

"The Career Jump program has benefited me in many ways. The most prevalent being that it helped me gain experience in my chosen field and obtain a job which I love. It gave me the tools and opportunity to a meaningful position for which I am truly grateful."

"It has been a very rewarding partnership. The career jump program is a fantastic program especially for small businesses like ours."

EMPOWERING PEOPLE

Candidates are carefully recruited and screened to match your business needs. Each participant receives additional training and support during their work period, ensuring they're ready to contribute from day one.

ENHANCING WORKFORCE

With the Career Jump, you'll access a pool of qualified, motivated candidates at a fraction of the typical hiring cost. Career Path Services covers employee wages and payroll taxes for up to 433 hours, allowing you to assess candidates in real work setting without the upfront financial resources.

ENRICHING COMMUNITIES

Career Jump isn't just about filling roles - it's about making a positive community impact. The earnings of program participants circulate back into local economies, directly benefiting the community. Plus, your business may qualify for additional tax incentives.
