

# Tote Trays

***For quick, easy, low cost and labor-saving material handling***

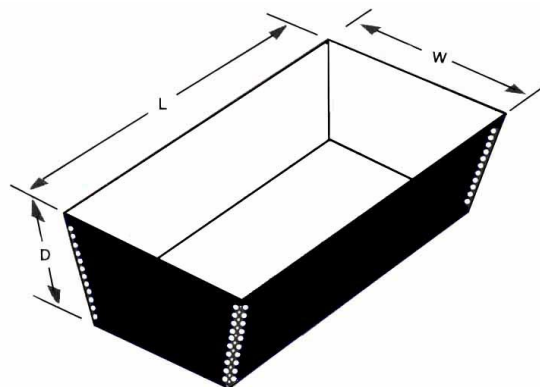

Ideally suited for handling and transporting parts, components, assemblies, and tools for electrical, electronic, aeronautical, medical, and similar industrial applications.

All trays are clean, durable, and long lasting with four time-tested stock sizes available for immediate delivery. Assembled with Metal Edge corners, they are unsurpassed for strong lightweight material handling. All trays are made from heavy caliper kraft board with a blue coating on the outside and clear coating on the inside making them resistant to moisture, grease, and mild acid. ***Tapered for easy storage when not in use.***
