

**January 2, 2024**

**Dear Parents,**

**What an appropriate time to embark on our “ARCTIC ADVENTURE” camp, - Monday 2/19/24 thru Wednesday 2/21/24 9:00 – 12:30!! We hope to have plenty of snow, cold temperatures to add to all the crafts, songs, stories, science experiments, snacks, cooking and more!! This mini winter break camp is a great time for kids to connect with nature and learn about experiences in the arctic!! Our “ARCTIC ADVENTURE” camp will focus and highlight some of the connections between animals, art and science, helping kids to develop their own artistic skills while learning about the unit.**

**Please make sure that children are dressed appropriately each day. Winter jackets, gloves, scarves, hats and especially snow boots. We will go out every day exploring and performing science experiments and hopefully play in the snow. Some of our highlighted activities include: Ice Cube Painting, Blubber Science, Seal Easel Painting, Rock Salt and Ice Experiment, and we will make pancakes and icy milkshakes as part of our cooking unit.**

**On Wednesday 2/21/24, please have your child come dressed in their favorite pajamas. We will have a special lunch consisting of waffles and pancakes!**

**Please pack lunch as the children will eat between 12:00 - 12:30.**

**Can't wait until you Come and Chill with us!!! It's definitely going to be a Cool experience!!**

**Sincerely,**

**Alicia Ballaera, M.Ed., Director**
